Originally known as a brand for greeting cards, Hallmark has seen a surge in popularity since the early 2010s for its made-for-TV movies and television channels: the Hallmark Channel and its spinoffs, Hallmark Movie Channel (now Hallmark Movies & Mysteries) and Hallmark Drama. Hallmark's brand of comforting, often sentimental content includes standalone movies, period and contemporary television series, and mystery film series that center on strong, intuitive female leads. By creating reliable and consistent content, Hallmark offers people a calming retreat from the real world. This collection of new essays strives to fill the void in academic attention surrounding Hallmark. From the plethora of Christmas movies that are released each year to the successful faith-based scripted programming and popular cozy mysteries that air every week, there is a wealth of material to be explored. Specifically, this book explores the network's problematic relationship with race, the dominance of Christianity and heteronormativity, the significance placed on nostalgia, and the hiring and re-hiring of a group of women who thrived as child stars.

NOW THE HALLMARK MOVIES & MYSTERIES ORIGINAL TIME FOR ME TO COME HOME FOR CHRISTMAS! The fireplace is lit, the snow is falling, and sleigh bells echo in the distance—it's Christmas, and it's time to come home in this charming holiday novel based on Dorothy Shackelford and Blake Shelton's hit song. Thirty-five-year-old Heath Sawyer has finally made it to the big-time as a country music star. After a year full of the kind of success he could only dream of, it's December 23, and he's headlining a sold-out show at Madison Square Garden. It's only as the lights on the stage go down and the Christmas lights outside come on that Heath realizes there's just one place he wants to be for the holidays: back home in Okmulgee, Oklahoma. But journeying anywhere on Christmas Eve is never easy, and with flight delays, inclement weather, and the unexpected company of a feisty young woman who's about to become his traveling companion, Heath will need a Christmas miracle to make his way home in time to open presents. Filled with touching anecdotes inspired by the real holiday memories of Blake Shelton and Dorothy Shackelford, Time for Me to Come Home is a sweet and funny story that celebrates the spirit of Christmas and the true meaning of finding your way back home. "It's funny how going back can get you back to where you belong. It's the difference between just a melody and my favorite Christmas song."

Matt Kell and Cathy Spehn had known each other since grade school. As adults, they each married, lived in their hometown and attended the same church. Their kids attended school together. Matt died at home on Christmas Day after a three-year battle with cancer, leaving behind his wife, Gina, and two young boys. Prior to his death, Matt recorded a video diary for his sons, which included his desire and expectations that their mom would love again. After attending Matt's inspirational funeral and reaching out to Gina with offers of support, Cathy was diagnosed with inoperable brain cancer. She died only seventeen days later, leaving behind her husband, Michael, and three young children. In her final hours, Cathy instructed

Michael to "call Gina Kell." The Color of Rain illuminates the stepping-stones of loss and healing that ultimately led to a joyful new life for Michael, Gina and their five children. Their path to becoming a modern day Brady Bunch was filled with grief, laughter, and a willingness to be restored to a new and even better life, despite the inevitable resistance they faced. As the dual first-person narrative reveals what it is like to walk through loss and love simultaneously, readers receive an intimate look at how this ordinary group of people lived, died, and ultimately persevered through extraordinary circumstances.

Based on the hit song, this beautiful book is the perfect gift for anyone who needs to be reminded of the importance of being their true selves. Through reassuring lyrics that encourage us to be our true selves, "True Colors" has become a beloved song worldwide since its release in 1986. Now, for the first time ever, this inspiring and iconic song is in book form accompanied by gorgeous illustrations, and perfectly packaged with a ribbon enclosure. Ideal for any age--and as a gift anytime during the year--this book about having confidence in yourself is sure to be a huge comfort.

From the author of *Suitors* and *Sabotage* comes a swoonworthy Christmas adventure, perfect for fans of Jane Austen and *Downton Abbey*. 1817. The happy chaos of the Yuletide season has descended upon the country estate of Shackleford Park in full force, but lady's maid Kate Darby barely has the time to notice. Between her household duties, caring for her ailing mother, and saving up money to someday own a dress shop, her hands are quite full. Matt Harlow is also rather busy. He's performing double-duty, acting as valet for both of the Steeple brothers, two of the estate's holiday guests. Falling in love would be a disaster for either of them. This book could serve as a stepping stone to classic read-alikes, such as *Pride and Prejudice* or *Jane Eyre*." —School Library Journal

Long before anyone had heard of alien cookbooks, gremlins on the wings of airplanes, or places where pig-faced people are considered beautiful, Rod Serling was the most prestigious writer in American television. As creator, host, and primary writer for *The Twilight Zone*, Serling became something more: an American icon. When Serling died in 1975, at the age of fifty, he was the most honored, most outspoken, most recognizable, and likely the most prolific writer in television history. Though best known for *The Twilight Zone*, Serling wrote over 250 scripts for film and television and won an unmatched six Emmy Awards for dramatic writing for four different series. His filmography includes the acclaimed political thriller *Seven Days in May* and cowriting the original *Planet of the Apes*. In great detail and including never-published insights drawn directly from Serling's personal correspondence, unpublished writings, speeches, and unproduced scripts, Nicholas Parisi explores Serling's entire, massive body of work. With a foreword by Serling's daughter, Anne Serling, *Rod Serling: His Life, Work, and Imagination* is part biography, part videography, and part critical analysis. It is a painstakingly researched look at all of Serling's work--in and out of *The Twilight Zone*.

Presents a Debbie Macomber story in which guardian angel Harry Mills oversees college student Addie Folsom's relationship with contrary neighbor Erich Simmons, as well as a Christmas-themed novella by Christina Skye.

'Raising your consciousness to the 'God Winks' that often go by unnoticed, and recognising them as tremendously personal,

will affirm that your existence is not random and that you have a role to play in life's grand plan' Squire Rushnell Have you ever thought about someone who hasn't crossed your path or mind in years and then bumped into them? Are there such things as coincidences? Do they mean anything? According to Rushnell, 'coincidences, like winks from God, are encouraging signposts along your universal path.' In WHEN GOD WINKS he explains that a 'God Wink' is a message of reassurance that comes our way whenever we need it and that coincidences are the best way for God to establish a presence in our lives. Rushnell shows how to retrace crossroads (a new job, a death, change in relationships) that took us in an entirely different direction, showing how to map the turning points made by coincidences that have guided us throughout our lives. Best of all, WHEN GOD WINKS shows us how to create our own coincidences and turn wishes into winks. He explains his compelling theory of coincidences through a series of incredible stories and motivational writing on how coincidences play a role in all facets of our life, including career, love, history, medicine, entertainment, sports and politics with telling comments from Oprah Winfrey, Barbara Streisand, Mark Twain, Kevin Costner and other celebrities. WHEN GOD WINKS is a fascinating bridge to self-discovery.
