5 synonyms of imperfect from the Merriam-Webster Thesaurus, plus 19 related words, definitions, and antonyms. Find another word for imperfect.

Imperfect: having a fault.

Imperfect Synonyms, Imperfect Antonyms | Merriam-Webster ...

The imperfect (abbreviated IMPERF) is a verb form that combines past tense (reference to a past time) and imperfective aspect (reference to a continuing or repeated event or state). It can have meanings similar to the English "was walking" or "used to walk." It contrasts with preterite forms, which refer to a single completed event in the past.

Imperfect - Wikipedia

The best of us are imperfect judges of the happiness of others. Well, well, they shall be as imperfect as you like—any thing to please you. In proportion as the union is incomplete, the derived life is imperfect. The teaching may have been, as no doubt it was, of a very rude and imperfect sort; but it was done with a will.

Where do you deliver? - Imperfect

The imperfect subjunctive (el imperfecto de subjuntivo) follows many of the same rules as the present subjunctive. Introduced with a preterite, imperfect, conditional, or past perfect WEIRDO verb in the independent clause, the imperfect subjunctive often refers to a previous experience, but can also refer to unlikely events or possibilities.

A one-handed pitcher who became one of the select few to pitch a no-hitter in Major League Baseball, explains how he rose above his disability to excel at the sport he loved through high school, college and adulthood. Reprint.

NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER "This book will shine new light on your journey, ignite your practice with new power, inspire new possibilities for growth, and infuse your life with the grace and confidence you seek." --Baron Baptiste A little over a decade ago, Baron Baptiste published his seminal book, *Journey into Power*. The first of its kind, it introduced the world to Baptiste Yoga, his signature method that marries a lifetime of studying with some of the world's most renowned yoga masters with his uniquely powerful approach to inner and outer transformation. Since then, yoga has steadily moved into the mainstream in our culture, and Baron's unique contribution has played a key role. As millions of participants incorporate yoga into their daily lives, Baron's teachings have evolved to bring them even deeper into their own transformative possibilities. *Perfectly Imperfect: The Art and Soul of Yoga Practice* takes readers beyond the foundations of the practice by speaking to everything that happens in their bodies and minds after they get into a yoga pose. That is where the true transformation occurs, and where much rich spiritual and emotional growth is available. Readers will learn how to move through their lives with grace and flow, begin again when a situation becomes difficult, "be a yes" for their innermost desires, give up what they must, follow their intuition, and find their truth north. With his signature blend of boldness, insightfulness, humor, and warmth, Baron offers what is destined to be an instant classic in the yoga and meditation world. With *Perfectly Imperfect*, he proves once again to be a true yoga master for the modern world.

Want to make a move but scared to leave your comfort zone? Go anyway. "Jessica's perspective of global sisterhood and the power of lifting each other up in the midst of fear and scarcity is exactly what we need today. This book is both an invitation and a challenge to bravely show up for ourselves, for the people we love, and for the strangers that we will one day call family. I say, Amen!" --Brené Brown, Ph.D., Author of the #1 New York Times bestseller *Braving the Wilderness In Imperfect Courage*, the founder of the popular fair trade jewelry brand Noonday Collection shares her story of starting the rapid-growing business that impacts over 4,500 artisans in vulnerable communities across the globe--and invites readers on a journey of transformation, challenging them to trade their comfort zones for a life of impact and adventure. In 2015, *Inc.* magazine recognized Noonday Collection as one of the fastest-growing companies in America. But years earlier, as Jessica Honegger stood at a pawn-shop counter in Austin, Texas, and handed over her grandmother's gold jewelry, her goal was much more personal: to fund the adoption of her Rwandan son, Jack, by selling artisan-made jewelry. This first step launched an unexpected side-hustle that would grow into Noonday Collection. Jessica embarked on this new journey and teamed up with her first artisan partner, Jalia, a Ugandan jewelry maker. She saw the meaningful impact Noonday brought to Jalia's community and knew it was the right move. Fear crept into Jessica's heart as she realized her success, or failure, meant the same for Jalia. But refusing to let fear hinder her goals, Jessica found the necessary (if imperfect) courage she needed along the way--the courage to leave comfort and embrace a life of risk and impact. Discover Your Imperfect Courage In *Imperfect Courage*, Jessica takes you by the hand and invites you to trade your comfort zone for a life of impact and meaning. • First, she invites you to draw a circle of compassion around yourself and leads you through some soul-searching aimed at setting you free from shame. • Next, she challenges all of us to come together, dare to be vulnerable with one another, and commit to building a culture of collaboration. • Finally, Jessica calls on you to broaden your circle of compassion to embrace the entire globe--and to bring your beautifully imperfect courage to a world that needs you.

This book is about me, my cricket career, my life. My strengths and weaknesses, my successes and failures. Every individual lives a uniquely different life. Life stories are always interesting. No one leads an uneventful life. Having been a sportsman, I also want young, aspiring sportsmen to learn from my career. Like a father once said to his son: 'I made twenty mistakes in my life, you'll make twenty new ones.' In *Imperfect*, Sanjay Manjrekar uses his famous analytical powers to look back on his own career as a cricketer. His photographic memory takes the reader along on his journey from the dusty maidans of Mumbai to the world stage as the combative batsman faces up to the fearsome West Indian and Pakistani pace attacks. In his precise plainspeak, Sanjay reflects on his father Vijay Manjrekar and the effects of his personality on his game. He comments on the complex equations with the India greats with whom he shared the dressing room, and on the lessons learnt from his opponents. He also reveals his own excruciating obsession with batting technique, the quest for perfection, and the battle to shake off his mental shackles. *Imperfect* sets a new standard for cricket writing in India, with significant life lessons even for those who aren't cricket fans.

From the creator of the Emmy Award-winning *Downton Abbey*... "Damian Baxter was a friend of mine at Cambridge. We met around the time when I was doing the Season at the end of the Sixties. I introduced him to some of the girls. They took him up, and we ran about together in London for a while...." Nearly forty years later, the narrator hates Damian Baxter and would gladly forget their disastrous last encounter. But if it is pleasant to hear from an old friend, it is more interesting to hear from an old enemy, and so he accepts an invitation from the rich and dying Damian, who begs him to track down the past girlfriend whose anonymous letter claimed he had fathered a child during that ruinous debutante season. The search takes the narrator back to the extraordinary world of swinging London, where aristocratic parents schemed to find suitable matches for their daughters while someone was putting hash in the brownies at a ball at Madame Tussaud's. It was a time when everything seemed to be changing--and it was, but not always quite as expected. *Past Imperfect* is Julian Fellowes at his best--a novel of secrets, status, and a world in upheaval.

By the time she was eleven and living in the Soviet Union, Lee Kofman had undergone several major operations on both a defective heart and injuries sustained in a bus accident. Her body harbours a constellation of disfiguring scars that have shaped her sense of self and her view of the world. But it wasn't until she moved to Israel and later to Australia that she came to think these markings weren't badges of honour to flaunt but were, in fact, imperfections that needed to be hidden away. In a captivating mix of memoir and cultural critique, Kofman casts a questioning eye on the myths surrounding our conception of physical perfection and what it's like to live in a body that deviates from the norm. She reveals the subtle ways we are all influenced by the bodies we inhabit, whether our differences are pronounced or noticeable only to ourselves. She talks to people of all shapes, sizes and configurations and takes a hard look at the way media and culture tell us how bodies should and shouldn't be. Illuminating, confronting and deeply personal, Imperfect challenges us all to consider how we exist in the world and how our bodies shape the people we become.

The editor-in-chief of the late cult magazine domino presents a follow-up to the best-selling domino: the book of decorating that describes 80 items that are what the author identifies as all one needs to live comfortably, practically and stylishly, from essential furnishings to aesthetic accents.

The author tells the riveting story of John and Jessie FrZmont, the husband-and-wife team who were instrumental in the westward expansion of the U.S. and were America's first great political couple.uple.

For the past three decades, Colin Powell has been among America's most trusted and admired leaders. This biography demonstrates that Powell's decades-long development as an exemplary subordinate is crucial to understanding his astonishing rise from a working-class immigrant neighborhood to the highest echelons of military and political power. Once an aimless, ambitionless teenager who barely graduated from college, Powell became an extraordinarily effective and staunchly loyal subordinate to many powerful superiors who, in turn, helped to advance his career. By the time Powell became chairman of the Joint Chiefs of Staff, he had developed into the consummate follower--motivated, competent, composed, honorable, and independent. The quality of his followership faltered, however, after he became George W. Bush's secretary of state. Powell proved a fallible patriot, and in the course of a long and distinguished career he made some grave and consequential errors in judgment. While those blunders do not erase the significance of his commendable achievements amid decades of public service, they are failures nonetheless. Imperfect Patriot is the fascinating story of Powell's professional life, and of what we can learn from both his good and bad followership. The book is written for a broad readership, and will be of special interest to readers of military history, political biography, and leadership.

Susan Cain, New York Times bestselling author of Quiet: "The world could surely use a little more love, a little more compassion, and a little more wisdom. In Love for Imperfect Things, Haemin Sunim shows us how to cultivate all three, and to find beauty in the most imperfect of things--including your very own self." A #1 internationally bestselling book of spiritual wisdom about learning to love ourselves, with all our imperfections, by the Buddhist author of The Things You Can See Only When You Slow Down Hearing the words "be good to yourself first, then to others" was like being struck by lightning. Many of us respond to the pressures of life by turning inward and ignoring problems, sometimes resulting in anxiety or depression. Others react by working harder at the office, at school, or at home, hoping that this will make ourselves and the people we love happier. But what if being yourself is enough? Just as we are advised on airplanes to take our own oxygen first before helping others, we must first be at peace with ourselves before we can be at peace with the world around us. In this beautiful follow-up to his international bestseller The Things You Can See Only When You Slow Down, Zen Buddhist monk Haemin Sunim turns his trademark wisdom to the art of self-care, arguing that only by accepting yourself--and the flaws that make you who you are--can you have compassionate and fulfilling relationships with your partner, your family, and your friends. With more than thirty-five full-color illustrations, Love for Imperfect Things will appeal to both your eyes and your heart, and help you learn to love yourself, your life, and everyone in it. When you care for yourself first, the world begins to find you worthy of care.
