6" Quilt Blocks - Generations Quilt Patterns

6" Quilt Blocks. Many quiltmakers like to make six inch quilt blocks in order to use a greater variety of blocks in a sampler style quilt. Another reason might be to test out the look of a block in a smaller size in order to save on the fabrics (just in case the block looks very different than in your imagination). Whatever your reason for creating six inch blocks, the pieces are all just smaller versions of larger sized quilt blocks -- such as the most popular size, the 12" quilt block.
